

**FIRST ANNOUNCEMENT  
AND  
CALL FOR PAPERS**

*25<sup>th</sup>*

*Cement and Concrete Science*

**15-16<sup>th</sup> September 2005**

**Royal Holloway College  
University of London**

The Institute of Materials, Minerals & Mining

**Supported by the Institute of Materials, Minerals and Mining and  
Co-ordinated by the Cement and Concrete Group of the Ceramics  
Division.**

Papers are invited for the 25<sup>th</sup> conference in this series. The conference is concerned with fundamental aspects of the science of cement and concrete.

The following themes are addressed:

- Mineralogy and microstructure
- Hydration
- Durability
- Interactions of cement paste with aggregates and reinforcement
- Cement extending and replacement materials
- Chemical admixtures
- New and novel cements
- Immobilisation (stabilisation/solidification)

The conference will take place in a residential setting within Royal Holloway College with time available for informal discussion.

In addition to the technical programme a Conference Dinner will take place on Thursday.

If you wish to submit an abstract please fax or email (word documents only) a 200-word abstract by 30<sup>th</sup> April 2005 to R.J. Mangabhai at the address given.

An extended abstract will also be requested for accepted papers. Although this is not compulsory it is requested in order that a useful set of abstracts are available to delegates on registration

#### **Student poster competition**

Students are invited to publicise the results of their work to an international audience. An award is presented to the best poster based on content and presentation. The competition is open to students under the age of 30 years on research, which has been undertaken in the previous two years.

---

#### **REGISTRATION**

---

To register an interest or to submit an abstract for this conference, please complete the accompanying form and send it to the address indicated:

R J MANGABHAI,  
Cement and Concrete Science  
8 Pasture Close, North Wembley  
Middlesex, HA0 3JE  
England, UK.

Tel: 44 (0) 208 908 3762  
Fax: 44 (0) 208 908 3762  
Email: r.j.mangabhai@btinternet.com

#### ***25<sup>th</sup> Cement and Concrete Science***
